

ABOUT US

Deep Root Records is an independent record label thriving to serve artists in three ways: **Artist Management, Music Exploitation, and Event Production.** Based in New York City but with international reach, Deep Root is a runway for artists seeking a fast track to success.

The label's **Synchronization & Licensing** department allows for artists of all styles to explore a new avenue for exposure and profit by obtaining placements in movies, television shows, advertisements, video games, and more! In addition, the imprint promotes new business alliances through brand consolidation, there by holistically increasing fan engagement, and expanding its commitment to engaging musical experiences.
