

FRANCIS

MERCIER

BIO

Haitian DJ and producer Francis Mercier has been shaping the house music landscape with a culturally and ethnically rich sound that comprises deep, melodic, and worldly elements. He does so by carrying on his mission to bring together sounds and artists from all corners of the world.

Garnering **75M+ streams** across all music platforms, Francis has been featured in **Forbes, Billboard, DJ Mag, Mixmag**, the **Beatport Top 10** Best Selling chart, **BBC Radio 1**, and more. He has released music with Diplo, Major Lazer, Amadou & Mariam, and other Grammy award-winning artists on labels such as **Universal, Tomorrowland, Mad Decent**, and **Insomniac**.

His flair, originality, and energizing stage presence have also brought him to iconic festivals such as **Coachella** and **EDC Las Vegas**, and stages in Paris, London, Ibiza, Dubai, New York, Beirut, Karachi, Marrakech, Los Angeles, and many other cities around the world.
