

TOMER

BIOGRAPHY

Originally from Israel, Tomer moved to the US where he began his musical journey in the New York City club scene. Inspired by legendary DJs such as Junior Vasquez and Grammy Award Winner Peter Rhuhofer, he embarked on his own path into DJing and producing. His unique style led to growing hype throughout the city and he quickly found himself opening for Peter Rhuhofer, at the legendary ROXY club in NYC.

Tomer's first productions were released on world-famous labels such as Nervous Records, Twisted America, Chameleon Rec, *69, and Tweekd USA, to name a few.

In 2019, DJ Tomer & Ricardo joined forces to create original Afro House music which has established them as the leading sound in the Afro-house world. Tomer & Ricardo's vision is to create a unique musical experience and to collaborate with the most talented singers in the industry.

Tomer's work continues to garner huge support from artists such as Black Coffee, Themba, Keinemusik, and Shimza. Tomer has played all around the world in front of an ever-growing crowd. In 2021, Tomer ranked #91 on **Traxsource's Top 100 Afro-house artists.**

LITTLE TALK WITH DJ TOMER & RICARDO

DJ Tomer & Ricardo are two artists that have been making a name for themselves in the Afro House music scene over the last few years and always providing music packed with rhythm and beautiful vocals. Their recent release "Vika Dlozi" on My Other Side Of The Moon does exactly that and we spoke to them recently to find out where their love of the genre came from, and how they came to work together...
