

NEYL

GUITARIST - PRODUCER - PERFORMER

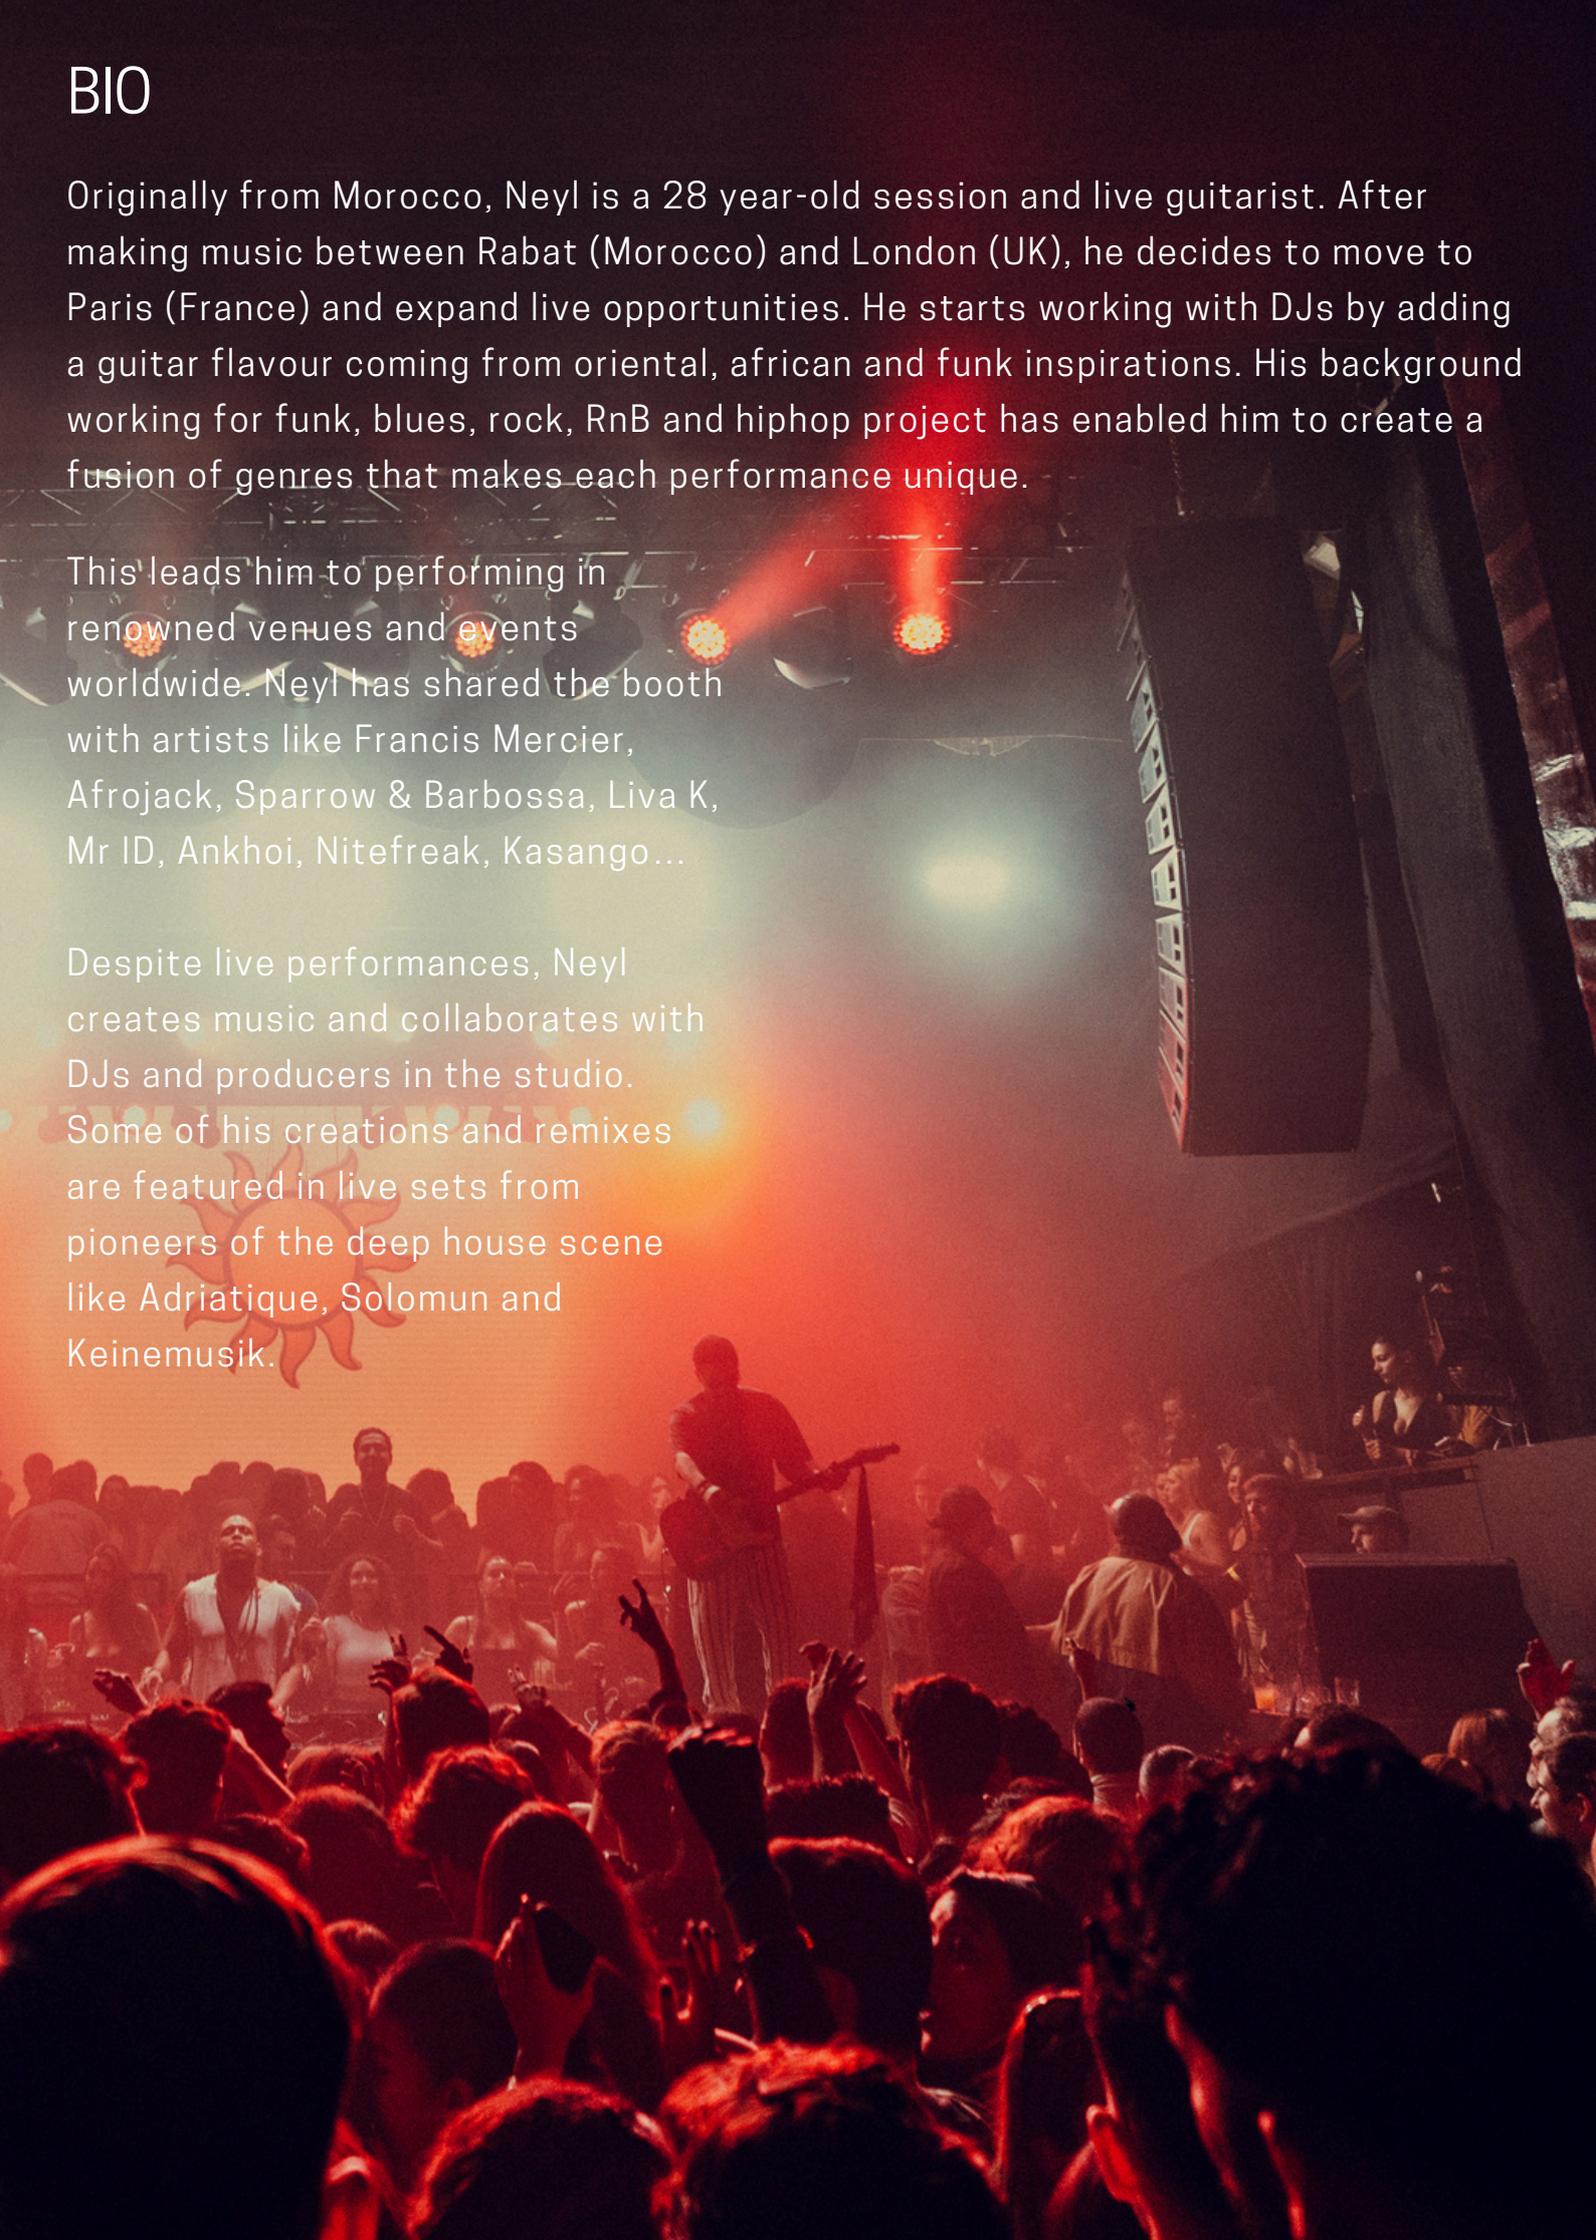

BIO

Originally from Morocco, Neyl is a 28 year-old session and live guitarist. After making music between Rabat (Morocco) and London (UK), he decides to move to Paris (France) and expand live opportunities. He starts working with DJs by adding a guitar flavour coming from oriental, african and funk inspirations. His background working for funk, blues, rock, RnB and hiphop project has enabled him to create a fusion of genres that makes each performance unique.

This leads him to performing in renowned venues and events worldwide. Neyl has shared the booth with artists like Francis Mercier, Afrojack, Sparrow & Barbossa, Liva K, Mr ID, Ankhoi, Nitefreak, Kasango...

Despite live performances, Neyl creates music and collaborates with DJs and producers in the studio.

Some of his creations and remixes are featured in live sets from pioneers of the deep house scene like Adriatique, Solomun and Keinemusik.
